

Communitas Education Trust

To all parents and carers

Like many of you I have been watching the Prime Minister's announcements over the past week. We all have a shared responsibility to follow the Prime Minister's instructions to ensure we protect our families and our communities. I want to assure you that CET and our schools have been doing all we can to prepare for what is required and the changes we needed to make have been implemented speedily.

Each school has:

- Continually communicated the NHS guidelines regarding preventing the spread of COVID-19
- Provided materials and access to resources for your children so that they can continue to learn from home whilst schools are closed
- Quickly acted on the government's requirement to provide childcare for Front line workers and vulnerable children whilst ensuring the safety of our staff
- Ensured that you can maintain contact with the school whilst it is closed

The heads and staff have worked tirelessly to ensure that your children's lives can continue to be 'as normal as possible' given the circumstances. Their safety and wellbeing is at the core of all we do.

Please stay safe and ask for help when you need it.

Paul Marray
Chair
CET Board of Trustees
