Headteacher: Miss Jo Rooney

28th April 2023

Dear Parents/Carers,

To support this term's project on 'How do we explain what we cannot see?', Year 3 have the opportunity to visit the Science Museum and the Wonderlab experience. The trip will help strengthen our understanding about forces and magnets and provide the children with real life examples of how magnets are used every day. The children will use this experience back in class within their end of term project outcome.

This trip will take place on **Thursday 18th May 2023.**

We will be travelling as a year group by public transport to the museum. This trip is likely to take around 40-50 minutes. **Should your child suffer from travel sickness, please encourage them to take their usual medication before they come to school.**

Please ensure that your child comes to school in school uniform, a warm, waterproof coat and a water bottle.

School packed lunches will be provided for your child if they usually have a school lunch.

The trip will take place during normal school hours and we should return before the end of the day. If we are running late, a message will be sent to the office who will send out an estimated return time. .

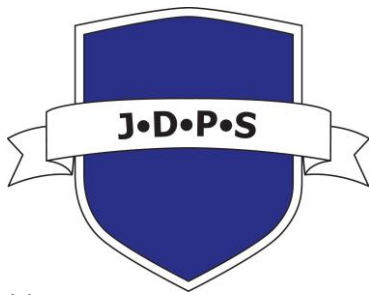

There is no cost for this trip.

We will require a couple of adult volunteers to support us on this trip. If you are able to volunteer, please speak to your child's class teacher and **we will look to inform you as soon as possible if your help is needed.**

Please complete and return the permission slip to your child's class teacher if you are happy for them to participate in this trip.

Kind regards,
Mr Ash and Miss Gray
