Dear parents and carers,

First of all I would like to welcome everyone back to a new academic year with a very special welcome to those families who are joining our community. It has been so great to see everyone and also see how well the children are settling in to the new classrooms. I have a feeling this is going to be a fantastic year!

I would also like to introduce some new members of staff who have joined the John Donne community:

Mrs. Banks is our new Red 6 class teacher

Miss Robb is our new Red 1 class teacher

Ms. Wallace is joining us as a trainee teacher and will be working alongside Miss Conway in Red 5

Ms. Smart will be working as a member of support staff in Green Reception

We will be holding meetings over the next couple of weeks to give you a chance to meet the adults who will be working with your children as well as finding out what your children will be learning this term. You will also get some information about routines, PE days etc. These meetings will be first thing in the morning so you can attend straight after drop off and will be no more than 30 minutes. Please try to attend these meetings as you will get lots of useful information and it gives you an opportunity to ask any questions.

Lastly, apologies for the confusion with the restrictions on the road through the School Street scheme. I have been assured by Southwark Council that these restrictions are not in force yet and they will let us know when they are due to start so that I can communicate this with you with plenty of notice.

Just a reminder that school starts at 8:45am and the school gate is open between 8:40am – 8:45am. We want to make sure that children are accessing all learning opportunities so I appreciate you setting the alarm clock that little bit earlier and getting them in to school on time.

I hope you manage to enjoy the sunshine this weekend and I will see you at the gate on Monday morning.

Miss Rooney

Please make sure you follow us on **Instagram** and **Twitter**, @JDPSoffice. We will be posting live updates and pictures to show what is going on within your child's school day.

Dear parents and carers,

Your child's birthday is very important to us and we want to celebrate it but we do want to do this in a slightly different way this year.

As the cost of living is increasing tremendously and also with their being more children with food allergies in the school, we feel it is time to find an alternative way to celebrate your child's birthday rather than birthday cake and party bags. If you would like to mark your child's birthday in school, we would request that you consider buying a book for the class book corner. We would then write an inscription in the book showing who donated it, which birthday they were celebrating and the date. This means that it can be enjoyed by all children in the class.

We will no longer be accepting birthday cakes or party bags to be distributed in school.

Thank you for your support, understanding and co-operation with this and we look forward to celebrating your child's birthday.

Miss Rooney

Congratulations to GREEN 4 for being the top doodling class in the past week.

Keep doodling everyone.
