Dear parents and carers,

I think we've all enjoyed seeing the sun this week and this has opened up opportunities for children to do some learning outside. This will continue in to next week with two of our year groups going out on visits. Our Year 5 children will be visiting the London Eye on Tuesday to link in with the book they are reading The London Eye Mysteries as well as linking in to their Design and Technology project. Year 2 will be visiting Brockwell Community Greenhouses on Wednesday to link in with their science topic around plants.

Our Year 6 children are in the final preparations for their End of Key Stage tests more commonly known as SATs which begin on 13th May. They have been working exceptionally hard and we are very proud of their achievements so far. There is one final maths booster session for the Year 6 children after school on Tuesday 7th May until 4pm for any children who wish to come.

We have another parent workshop on Tuesday 7th May at 8:45am run by The Nest. The theme this time is around online safety and will give you strategies to help keep your child safe online. We had such a great feedback about the last session so I do hope that you are able to come for this session on Tuesday.

I hope you have a wonderful long weekend with the Bank Holiday on Monday and we will see you bright and early on Tuesday morning.

Miss Rooney

Punctuality

Well done to the classes who have achieved 100% punctuality this week!

Thank you to everyone, who is making the effort to ensure their children are in school on time. The more time a pupil is in school the more likely they are to improve their opportunity to fulfil their full potential.

We are thrilled to be continuing to work with the nest charity for our pupils and parent community. The next workshop for parents and carers will be on **Tuesday 7th May - 08:45 - 09:30** in our Community Space. Come along to find out more about social media and how to support your child when using online games or some strategies to use if they come across anything that worries them. Hope to see you all there!

Six-week programme overview

Parent Gym is a course of six workshops, each session lasts two hours and is packed with practical tips and techniques to make family life easier and help your children thrive.

- Fun and interactive sessions, with a weekly 'mission' to practice at home
- Rooted in scientific research
- A great chance to meet and chat with other parents

Each week's session covers one of these key topics:

Still looking for a reason to take part?

Around **10,000** parents have already participated

96% of those surveyed would recommend to other parents

Parents' feedback

"I am calm... the family is happier... It is amazing how a course can change your life."
Parent, Morningside Childrens Centre

"I'm sleeping through the night for the first time in years."
Parent, Boxgrove Primary School

"Parent Gym has worked wonders for me and my family. It's not about who's a good or bad parent - it just gives you lots of ideas to overcome difficulties in parenting."
Parent, Mount Stewart Junior School

We will be holding a **coffee morning** on **Thursday 9th May** after drop off for parents and carers who would like to find out more about Parentgym. Caroline Rowette, a Parentgym coach will be joining s to answer any questions you may have. Look forward to seeing you.

LEARNING AT JOHN DONNE...

Year 2

In Green 2, we have been planning our own designs inspired by the art of John Kindness for our own sculptures which we are making in the next few weeks.

Year 3

In mathematics, Red 3 were building on their understanding of pounds and pence by subtracting money.
