Dear Parents and Carers,

We are excited to let you know that a last-minute opportunity has come up for some pupils in Year 6 to access the Travel Training Bus scheme on **Wednesday 5th March**. The Travel Training Bus provides pupils with hands on experience to learn about and practice some key travel skills such as:

- Personal safety
- Road safety
- Understanding London's bus network
- Boosting confidence when using the bus

The experience will take place during the school day (12:30 – 14:00) so pupils are expected back before/by the end of the school day. Pupils will **not** need a packed lunch or additional snacks as they will have lunch before they depart.

Pupils will be accompanied by school adults and travel to Canada Water bus Station where they will be collected by the bus and return to Bermondsey Tube Station where pupils and school adults will make their way back to school.

If you have any questions, please do not hesitate to contact your child's teacher.
