

Final Preparations for Year 6 Bushcraft trip

Monday 19^h - Friday 23rd May

Dear parents and carers,

As we get closer to the date of our trip I wanted to provide you with the final details.

Children need to arrive at school at **7:45am on Monday 19th May** ready to depart on the coach.

If your child gets travel sick then please make sure they have taken the medication for this at the appropriate time.

No Fizzy drinks or sweet snacks on the coach please. Only Water, fruit etc.

A detailed list of what to bring and how to pack is on the reverse of this letter.

I have also included another copy of the dietary and medical forms. If you have not yet returned these then please do so as soon as possible.

School staff will collect all medication that you have informed us of when you drop your children off on Monday 19th. We cannot allow children to bring any medication that has not been signed for or discussed with us.

There will be no contact with the group while we are away but we will regularly update the school and post images on to the school Twitter/X feed so please follow there if you want to see what the children have been doing.

We will return to school on the afternoon of Friday 23rd May around 4:00pm. We will update the school and send out messages on the day to confirm expected arrival time.

We are looking forward to a great trip after their busy SAT's week and before the well-deserved half term.

Thank you for your continued cooperation.

Teddy Crane
