

Communitas Education Trust

16 August 2020

Dear Parents and Carers,

We hope that you have enjoyed the past week and are finding the current temperatures in London a little more bearable.

There is little change to update you on from this week. Our plan remains that all of our schools will re-open at the beginning of September (please see INSET dates for your own child's school).

As you may have heard from the national news, increasing numbers of holiday destinations are being added to the quarantine list. If you are travelling to any of the affected countries in the next few weeks, please be aware that this may impact your child's ability to attend school at the beginning of the term. We would always want children to be in school at the start of the new term and the new academic year.

Do enjoy the final stretch of the summer holidays with your children and stay safe and well.

Yours,

Paul Marry
