

John Donne Primary School

Woods Road, Peckham, SE15 2SW

4th November 2019

Dear Parents and Carers,

This half term our project is 'What makes us well?'. We will focus on what makes us feel good, what we do if we feel sad, healthy eating, health and self-care and we will be beginning PE sessions. We will link this with our maths and phonics, continuing to apply and learn new digraphs to support our reading and writing.

Throughout the project the children will be developing their understanding about ideas for helping them feel good and to thinking about how we can use our words and actions to express our feelings. We will share picture books linked with the topic and in maths we will be developing our understanding of number and space, shape and measure.

To complement this project we will be visiting the Morrisons' Peckham on **Tuesday 13th November 2019**, the children will go as a whole class and be in groups. They will have a shopping list, some money and a re-useable bag, each adult will support their group in selecting the fruit, checking the list and paying for the fruit at the self-service checkout station.

This trip is free.

We will eat our lunch upon returning to school and we will use our fruit to make fruit skewers in the afternoon.

Your child will need the following items for the visit:

- Suitable clothing and footwear

Please complete and return the slip below as soon as possible.

We are looking for **parent volunteers** to come along too, if you are interested, please see your child's class teacher.

Yours sincerely,

Miss Kelleher and Ms Kimber

I give permission for my child _____ in **red/green** reception to go to on Wednesday 13th November 2019.
