

Communitas Education Trust

4th May 2020

Dear Parent & Carers,

As you are aware, everyone is feeling their way through this altered reality. Despite the extended lockdown and the lack of certainty around when schools will reopen, rest assured that CET and our schools have continued to educate and care for our pupils.

- Our staff communicate with their pupils and pupil's families regularly
- Our 'Hub school' is remaining open to look after children who are either 'vulnerable' or children of key workers for whom there is no other care available.
- Teachers are continuing to support pupil's specific needs; taking into account the challenges of learning outside of the school environment
- Schools are making use of technology e.g. Google Drives, Google Classroom, online videos, etc. to deliver teaching with hard copies of work also distributed where necessary
- In addition to teaching their classes, staff collaborate remotely on developing curriculum and other school developments because we must also look to the future

As I have said before, the safety and wellbeing of your children is at the core of all we do. Speculation continues as to when schools will reopen and what risks we will face. Be reassured that CET schools will adopt whatever measures are deemed necessary to keep us all safe.

Please stay safe and ask for help when you need it.

Yours sincerely,

Nick Tildesley
